The application for an identity document can be made from any Procedures Office in the country, regardless of the place of residence, except for changes of domicile, which must be formalised at Procedures Offices in the province where the dwelling is located.

The identity document may be requested for the following reasons:

- Deterioration
- Loss
- Reaching 16 years of age
- Change of address
- Error correction
- Legal Change
- Demobilized FAR
- Prison Release
- Entrance to the Country

Deterioration: When the identity document due to its physical state does not allow to identify the holder.

Loss: when the holder's identity document is lost or stolen and cannot be presented for the procedure requested.

Correction of error: it is any modification, suppression or addition of data in the general data of the holder, as long as they do not constitute substantial changes in the identity of the person, for example names and surnames and the year of birth. Changes or modifications in the names of the holder's parents, in the volume and folio, in the place of birth, those associated with the Civil Status Register are also considered a correction of error.

Legal change: the modifications, suppressions or additions in the general of the citizen and year of birth that generate a substantial change in the identity of the person, these modifications are carried out by the court and in the certificate of birth issued by the Civil Registry the number of resolution or sentence by which the modifications were carried out must be recorded in the observations.

Change of address: it is the updating of the register of addresses from the request of the citizen and with the consent of the owner of the property where he intends to be domiciled. Changes of address may be requested in a Temporary or Permanent manner.

Transitional: it can be requested from 1 month to 1 year and can be extended as many times as the parties wish.

Permanent: for an indefinite period of time, until the owner makes a
